RECYCLED CONTENT: No change in the recyclability assessment. A separate '[Recycled Plastics Traceability Certification](#)' based on a Chain of Custody approach is available with RecyClass.

* Polymer resin can be either fossil- or bio-based, virgin or recycled.

** Temporary solution.

*** Guidelines are non-company specific. Barrier structures compatible with recycling are listed in [RecyClass Approval](#) page.

**** NC-binders will be reconsidered based on future findings from RecyClass and SafeCycle project
